The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (“**Notice-and-Access**”) to distribute Meeting materials to shareholders. Notice-and-Access is a new set of rules that allow issuers to post electronic versions of proxy-related materials on SEDAR and on one additional website, rather than mailing paper copies to shareholders. The use of Notice-and-Access will reduce the Corporation's printing and mailing costs and is more environmentally friendly as it will help to reduce paper use. Shareholders have the right to request hard copies of any materials posted online by the Corporation under Notice-and-Access.

Meeting materials, including the Circular, are available under the Corporation's SEDAR profile at www.sedar.com and at <http://noticeinsite.equityfinancialtrust.com/StansEnergyASM2014/>. If you wish to receive a paper copy of the Meeting materials, or have questions about notice-and-access, please call TMX Equity Transfer toll-free at 1-866-393-4891. In order to allow reasonable time for you to receive and review a paper copy of the Circular or other document prior to the proxy deadline, you should make your request for a paper copy of the Meeting materials by 5:00 p.m. (EDT) on September 16, 2015.

A shareholder may attend the Meeting or any adjournment thereof in person or may be represented by proxy. Shareholders who are unable to attend the Meeting or any adjournment thereof in person are requested to date, sign and return the accompanying form of proxy for use at the Meeting or any adjournment thereof. To be effective, the form of proxy for the Meeting must be deposited with the Corporation's registrar and transfer agent, TMX Equity Transfer Services, Proxy Department, at 200

University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, Facsimile No. (416) 595-9593, no later than 1:00 p.m. (EDT) on September 22, 2015 or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement of the Meeting.

The instrument appointing a proxy shall be in writing and shall be executed by the shareholder or the shareholder's attorney authorized in writing or, if the shareholder is a company, under its corporate seal by an officer or attorney thereof duly authorized.

The persons named in the form of proxy for the Meeting are directors and/or officers of the Corporation. Each shareholder of the Corporation has the right to appoint a proxyholder other than such persons, who need not be a shareholder, to attend and to act for such shareholder and on such shareholder's behalf at the Meeting. To exercise such right, the names of the nominees of management should be crossed out and the name of the shareholder's appointee should be legibly printed in the blank space provided.

SHAREHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR BEFORE VOTING.

STANS ENERGY CORP.
ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON THURSDAY, SEPTEMBER 24, 2015

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Management Information Circular (the "Circular") is furnished in connection with the solicitation of proxies by the management of STANS ENERGY CORP. (the "**Corporation**") for use at an Annual and Special Meeting (the "**Meeting**") of the Shareholders of the Corporation to be held at the Toronto Board of Trade, 1 First Canadian Place, Toronto, ON, M5X 1C1 on September 24, 2015, at 1:00 PM (Toronto time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. It is expected that the solicitation will be by mail primarily, but proxies may also be solicited personally by regular employees of the Corporation. The cost of such solicitation will be borne by the Corporation. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries to forward solicitation materials to the beneficial owners of common shares of the Corporation held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so.

Unless otherwise specified, all information contained in this Circular is given as of August 7, 2015. The record date for the Meeting has been set as August 7, 2015 (the "**Record Date**") and, unless otherwise specified, all amounts shown represent Canadian dollars.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The persons named in the enclosed instrument of proxy (the "**Proxy**") are officers and directors of the Corporation who have been selected by the directors of the Corporation and have indicated their willingness to represent as proxies the shareholders who appoint them.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM AND ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY. SUCH RIGHT MAY BE EXERCISED BY STRIKING OUT THE NAMES OF THE PERSONS DESIGNATED IN THE FORM OF PROXY AND BY INSERTING IN THE BLANK SPACE PROVIDED FOR THAT PURPOSE THE NAME OF THE DESIRED PERSON OR BY COMPLETING ANOTHER PROPER FORM OF PROXY AND, IN EITHER CASE, DELIVERING THE COMPLETED AND EXECUTED PROXY TO THE CORPORATION C/O TMX Equity Transfer Services ("Equity Transfer") SUITE 300, 200 UNIVERSITY AVENUE, TORONTO, ONTARIO M5H 4H1, AT ANY TIME PRIOR TO 1:00 P.M. (TORONTO TIME) ON THE 22nd DAY OF September 2015.

A shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A shareholder who has given a proxy may revoke it at any time in so far as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the shareholder or by his attorney authorized in

writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized and deposited at the registered office of the Corporation at any time prior to 1:00 p.m. (Toronto time) on September 22, 2015, or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof, and upon either of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law. The Corporation's registered office is located at Suite 205, 8 King Street East, Toronto, Ontario M5C 1B5.

As noted in the Notice of Meeting accompanying this Circular, Shareholders may also elect to vote electronically in respect of any matter to be acted upon at the Meeting. Votes cast electronically are in all respects equivalent to, and will be treated in the exact same manner as, votes cast via a paper form of proxy. To vote electronically, interested Shareholders are asked to go to the website shown on the form of proxy and follow the instructions provided. Please note that each Shareholder exercising the electronic voting option will need to refer to the control number indicated on their proxy form to identify themselves in the electronic voting system. Shareholders should also refer to the instructions on the proxy form for information regarding the deadline for voting shares electronically. If a Shareholder votes electronically, they are asked not to return the paper form of proxy by mail.

ADVICE TO NON-REGISTERED HOLDERS

Non-registered shareholders of the Corporation should review the information set forth in this section carefully.

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a holder who is not a registered Shareholder (a "**Non-registered shareholder**") are registered either: (i) in the name of an intermediary with whom the Non-registered shareholder deals in respect of the Common Shares such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans (an "**Intermediary**"); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited of which the Intermediary is a participant). In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation will distribute copies of the Notice of Meeting, form of proxy and this Information Circular to the clearing agencies and Intermediaries for onward distribution to Non-registered shareholders.

Intermediaries are then required to forward the materials to the appropriate Non-registered shareholders. Non-registered shareholders will be given, in substitution for the proxy otherwise contained in proxy-related materials, a request for voting instructions (the "**VIF** ") which, when properly completed and signed by the Non-registered shareholder and returned to the Intermediary, will constitute voting instructions which the Intermediary must follow.

The purpose of this procedure is to permit Non-registered shareholders to direct the voting of the Common Shares they beneficially own. A VIF cannot be used to vote Common Shares directly at the meeting. **Non-registered shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** If you are a Non-registered shareholder and wish to vote at the meeting in person or to have someone else attend on your behalf, you may request a legal proxy as set forth in the VIF, which will grant you or your nominee the right to attend and vote at the meeting.

Although a Non-registered shareholder may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their Intermediary, a Non-registered shareholder may attend the Meeting as proxyholder for the Intermediary and vote the Common Shares in that capacity. **Non-registered shareholders who wish to attend the Meeting and indirectly vote their Common Shares as a proxyholder, should enter their own names in the blank space on the form of Proxy or VIF provided to them by their Intermediary and return the same in accordance with the instructions provided by their Intermediary well in advance of the Meeting.**

Non-registered shareholders should ensure that instructions respecting the voting of their Common Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary. Every Intermediary has its own procedures, and provides its own return instructions to clients, which should be carefully followed by Non-registered shareholders in order to ensure that their Common Shares are voted at the Meeting.

Under NI 54-101, the Corporation is permitted to forward meeting materials directly to Non-registered shareholders who are “non-objecting beneficial owners” (“**NOBOs**”). If the Corporation or its agent has sent these materials directly to you (instead of through a nominee), your name, address and information about your holding of securities has been obtained in accordance with applicable securities regulatory requirements from the nominee holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the nominee holding on your behalf) has assumed responsibility for delivering materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The meeting materials for Non-registered shareholders who are “objecting beneficial owners” (“**OBOs**”) will be distributed through clearing houses and Intermediaries, who often use a service company such as Broadridge Financial Solutions to forward meeting materials to non-registered shareholders. The Company will pay for Intermediaries to forward the proxy-related materials and the request for voting instructions made by Intermediaries to OBOs under NI 54-101.

All references to shareholders in this Management Information Circular and the accompanying form of proxy and Notice of Meeting are to registered shareholders unless specifically stated otherwise.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy will vote or withhold from voting the common shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction, such common shares will be voted FOR each of the matters identified in the Notice and described in this Circular.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice.

NOTICE AND ACCESS

The Corporation has elected to use the “notice-and-access” provisions that came into effect on February 11, 2013 under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations* (“**Notice-and-Access**”), for distribution of this Circular and other meeting materials to registered shareholders of the Corporation and Beneficial Holders (as defined herein). Notice-and-Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to shareholders. The use of Notice-and-Access will reduce the Corporation’s printing and mailing costs and is more environmentally friendly as it will help to reduce paper use.

In accordance with Notice-and-Access, the Corporation has posted the Circular and its audited financial statements and management discussion and analysis for the year ended December 31, 2014 (collectively, the “**Meeting Materials**”) under its SEDAR profile at www.sedar.com and at <http://noticeinsite.equityfinancialtrust.com/StansEnergyASM2014/>. Although the Meeting Materials will be posted electronically online, registered shareholders and Beneficial Holders (subject to the provisions set out below under the heading “Non-Registered Holders”) will receive a “notice package” (the “**Notice Package**”) by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form (“**Proxy**”), in the case of registered shareholders, or voting instruction form (“**VIF**”), in the case of Beneficial Holders, enabling

them to vote at the Meeting. Shareholders should follow the instructions for completion and delivery contained in the Proxy or VIF, and are reminded to review the Circular before voting.

The Corporation has determined to use Notice-and-Access for both registered shareholders and Beneficial Holders other than those shareholders with existing instructions on their accounts to receive printed materials or those shareholders that request printed meeting materials. Neither registered shareholders nor Beneficial Holders will receive a paper copy of the Meeting Materials unless they contact the Corporation's transfer agent, TMX Equity Transfer Services ("**Equity Transfer**") toll-free at 1-866-393-4891. Provided the request is made prior to the Meeting, Equity Transfer will mail the requested materials within three business days. **Requests for paper copies of the Meeting Materials should be made by 5:00 p.m. (EDT) on September 16, 2015 in order to receive the Meeting Materials in time to vote before the Meeting.**

Shareholders with questions about Notice-and-Access may contact Equity Transfer toll-free at 1-866-393-4891.

Compensation discussion and analysis

The compensation of the NEOs of the Corporation consists of a salary portion, discretionary bonus and an incentive stock option component. The Corporation's compensation decisions are based on (a) value of the particular services that the individual NEO contributes to advancing objectives of the corporation and (b) what the corporation can reasonably afford to pay, given its higher priority operating commitments to ensure its ability to continue as a going concern. The value of the particular services are determined in the context of the prevailing market rates (e.g. the Board of Directors reviews compensation of the NEO's within a selected sample of junior mining companies of a similar size and characteristics to the Corporation), whereas any particular constraints on the amounts that the Corporation can reasonably afford to pay are determined in the context of the operating budget of the Corporation. The specific salary compensation rates are set by the Board and are periodically reviewed, as deemed appropriate. The Corporation is therefore relying on its stock option plan and bonus component to provide sufficient incentive to its NEOs to provide their services to the Corporation and bring the compensation level in line with the actual value of the services.

Compensation Committee

The role of the Compensation Committee is to review and provide recommendations to the Board in respect of compensation matters. It met numerous times during the year ended December 31, 2014, principally as an adjunct to board meetings, but also privately, to discuss specific compensation to the NEOs who are also directors. Individual committee members also met privately with management to review the Corporation's approach to executive compensation.

The Compensation Committee's reviews are conducted no less frequently than annually, and include a competitive market analysis of compensation paid for executive officers of companies of similar business, size and stage of development. The Committee then recommends an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. In making recommendations as to incentives, including discretionary bonuses, the Compensation Committee considers both individual and corporate performance.

During each annual review and assessment by the Compensation Committee of the Corporation's executive compensation program, the Compensation Committee also explicitly and implicitly takes into consideration any risks associated with such program. At the present time, the Compensation Committee has not identified any risks associated with the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation. In the assessment of senior management and the Board, the risks and uncertainties facing the Corporation that are likely to have a material adverse effect on the Corporation are disclosed quarterly in the Corporation's management discussion and analysis of the Corporation's financial condition and results of operations for the most recently completed quarter. No such risks relate to the Corporation's compensation policies and practices.

The Compensation Committee will continue to review with management the approach to executive compensation and, if it becomes appropriate, will consider alternative or supplemental compensation arrangements.

Compensation Plan and Policies

The Corporation's compensation policies are designed to recognize and reward individual performance as well as to provide a competitive level of compensation. The Corporation's current compensation plan consists of the following elements:

- base salaries;

- annual incentive bonuses;
- option-based awards; and
- benefits and perquisites.

A description of each element and its purpose is described below.

Base Salaries

The purpose of the base salary is to attract and retain executives by providing a competitive base compensation. The level of base salary for each NEO is determined by the level of responsibility and the importance of the position to the Corporation, within competitive industry ranges. The Compensation Committee makes recommendations to the Board regarding base salaries of the NEOs. Adjustment has been made from time to time to reflect budgetary constraints on the Corporation.

Annual Incentive Bonuses

Annual incentive bonuses are a short-term variable compensation element, designed to reward NEOs on an annual basis for achieving the Corporation's business objectives. The Corporation's business objectives are generally established by the Board at the start of each year, and may be reviewed during the year. Determination of the amount of bonus awarded to each NEO is based on an assessment by the Compensation Committee of several factors including contribution of the individual to overall progress of the Corporation in achieving its stated business objectives. The purpose of the annual incentive bonus is to pay for performance, align the NEO's economic interest with the Corporation's business objectives and to motivate and retain the executives. The Board has the discretion to alter the conditions of any bonus, if warranted. Discretionary bonuses may be paid to other employees at the discretion of the Board.

Option-Based Awards

Option-based awards are designed to align executive and Shareholder interests, focus executives on long term value creation and also to support the retention of key executives. NEOs may be issued stock options to purchase Common Shares or other option-based awards as recommended by the Compensation Committee and authorized by the Board. NEOs are excluded from the decision-making process regarding option-based compensation to be awarded to them. Previous grants of option-based awards are taken into account when considering new grants to the NEOs. Further information concerning option grants to NEOs and directors, and regarding the terms of the Option Plan of the Corporation are set out in this Circular.

Benefits and Perquisites

NEOs also participate in the Corporation's benefit plans that are available to all employees. The level of other perquisites depends on the employee's position. The purpose of the benefits and perquisites is to attract, retain and motivate the employees.

Personal Bankruptcies

No director or proposed director of the Corporation has, within the 10 years before the date of this prospectus, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or has been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold such person's assets.

Penalties or Sanctions

No director or proposed director of the Corporation, has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or has been subject to any other penalties or sanctions imposed by a court or regulatory body or self-regulatory authority that would likely be considered important to a reasonable investor in making an investment decision.

Conflicts of Interest

There are potential conflicts of interest to which the directors and proposed directors of the Corporation may be subject in connection with the operations of the Corporation. All of the directors and proposed directors are engaged in and will continue to be engaged in corporations or businesses which may be in competition with the search by the Corporation for businesses or assets in order to close a Qualifying Transaction. Accordingly, situations may arise where the directors will be in direct competition with the Corporation. Conflicts, if any, will be subject to the procedures and remedies as provided under the *Canada Business Corporations Act*.

C. APPOINTMENT OF AUDITOR

At the Meeting, the shareholders will be asked to appoint an auditor to serve until the close of the next annual meeting of shareholders of the Corporation, and to authorize the directors to fix their remuneration. KPMG LLP, Chartered Accountants ("KPMG"), have been auditors of the Corporation since November 27, 2008. KPMG were the auditors since November 20, 2007 of the former private company Stans Energy Corp., which amalgamated with the former JM Capital Inc. to form the Corporation by a three cornered amalgamation completed November 27, 2008 (the "Amalgamation").

D. CORPORATION'S STOCK OPTION PLAN

The TSX Venture Exchange requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such plan. The Corporation has a 10% rolling stock option plan (the "Plan"). Shareholders will be asked at the Meeting to vote on a resolution to approve the Plan for the ensuing year.

The Plan was initially adopted by the board of directors of JM Capital Inc., the Corporation's predecessor, on October 26, 2006. Amendments to the Plan were made by the Corporation's board of directors on January 10, 2012. The amended Plan was presented to the shareholders, and was last approved by the shareholders on September 25, 2014.

The Plan provides that the Board of Directors of the Corporation may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase common shares. The Plan provides for a maximum limit of 10% of the outstanding common shares at the time of grant to be approved for issue (the "**Limit**"), as permitted by the Policies of the TSX-V. On August 7, 2015 this represents 16,801,858 common shares available under the Plan.

The number of common shares reserved for issue to any one person within any twelve-month period (unless the Corporation has obtained disinterested shareholder approval) may not exceed 5% of the outstanding common shares, or a maximum of 2% if the person is a Consultant to the Corporation. The number of common shares reserved for issue to all persons engaged in Investor Relations activities for the Corporation may not exceed 2% of the outstanding common shares.

The Board of Directors determines the price per common share and the number of common shares that may be allotted to each director, officer, employee and consultant and all other terms and conditions of the options, subject to the rules of the TSX-V.

The exercise price per common share set by the Board of Directors is subject to minimum pricing restrictions set by the TSX-V.

Options may be exercisable for up to ten years from the date of grant, but the Board of Directors has the discretion to grant options that are exercisable for a shorter period. Options granted under the Plan do not require vesting provisions, although the Board of Directors may attach a vesting period or periods to individual grants as it deems appropriate. Options under the Plan are non-assignable and non-transferable. If prior to the exercise of an option, the holder ceases to be a director, officer, employee or consultant, the option shall be limited to the number of common shares purchasable by him immediately prior to the time of his cessation of office or employment and he shall have no right to purchase any other common shares. Options must be exercised within 90 days of termination of employment or cessation of position with the Corporation, provided that if the cessation of office, directorship, consulting arrangement or employment was by reason of death or disability, the option must be exercised within one year of termination or cessation, subject to earlier expiry pursuant to the specified expiry date.

If any option expires or otherwise terminates after having been granted without having been exercised in full, the number of shares in respect of such expired or terminated option, as the case may be, shall not be deducted from the Limit, and will again be available for grant for the purposes of the Plan.

The full text of the Plan will be available for review at the Meeting and will be supplied free of charge to shareholders upon written request made directly to the Corporation at its registered head office located at Suite 205, 8 King Street East, Toronto, Ontario M5C 1B5, Attention: President.

Shareholders will be asked at the Meeting to consider and, if thought advisable, approve and ratify the following resolution:

“WHEREAS:

- A. The Corporation has a 10% rolling stock option plan (the “Plan”) as described in the Management Information Circular for this meeting;
- B. In accordance with requirements of the TSX Venture Exchange, the Corporation wishes to obtain shareholder approval in respect of its existing Plan for the ensuing year, reserving for grant options to acquire up to a maximum of 10% of the issued and outstanding shares of the Corporation calculated at the time of each stock option grant.

NOW THEREFORE BE IT RESOLVED THAT:

- 1. The Plan is hereby approved by the shareholders of the Corporation for the ensuing year.
- 2. Any one director or officer of the Corporation be and is hereby authorized and directed to sign, and execute under corporate seal or otherwise all such deeds, documents, instruments and assurances, and to do all such acts and things as in such officer's or director's opinion may be necessary or desirable to give effect to this resolution.”

To be approved, the ordinary resolution must be passed by a majority of the votes of shareholders of the Corporation cast thereon at the Meeting. **Unless otherwise specified, the persons named in the enclosed form of proxy will vote FOR the resolution.**

E. BY-LAW AMENDMENT

The Corporation's general by-law was made years ago, prior to significant changes in corporate and securities laws. Notably, corporate law now permits a board to have a minimum of 25% resident Canadian directors, and it. It has also become material to desire advance notice of nominations to the board. The Board of Directors of the Corporation has passed an amendment to general by-law number 1 in the form of the amended general by-law contained in the attached Schedule “D” to amend the Canadian residency requirement to 25% to widen the pool of suitable candidates, and adds an advance notice requirement respecting nominations to the board.

Among other things, the advance notice requirement fixes a deadline by which Shareholders must submit a notice of director nominations to the Corporation prior to any annual or special meeting of Shareholders where directors are to be elected and sets forth the information that a Shareholder must include in the notice for it to be valid. In the case of an annual meeting of Shareholders, notice to the Corporation must be given not less than 30 and not more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement. In the case of a special meeting of Shareholders (which is not also an annual meeting), notice to the Corporation must be given not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made. The Board believes that the advance notice requirement provides a clear process for Shareholders to follow to nominate directors and sets out a reasonable time frame for nominee submissions along with a requirement for accompanying information, allowing the Corporation and the Shareholders to evaluate all nominees' qualifications and suitability as a director of the Corporation. The purpose of the advance notice requirement is to treat all Shareholders fairly by ensuring that all Shareholders, including those participating in a meeting by proxy rather than in person, receive adequate notice of the nominations to be considered at a meeting and sufficient information with respect to all nominees and can thereby exercise their voting rights in an informed manner. In addition, the advance notice requirement should

assist in facilitating an orderly and efficient meeting process. The Board may, in its sole discretion, waive any requirement of the advance notice requirement.

Shareholders will be asked to consider, and if thought fit approve the following resolution:

“BE IT RESOLVED THAT the form of general By-Law Number 1 of the Corporation as amended, substantially in the form attached as Schedule “D” to the Management Information Circular delivered to shareholders in connection with this meeting, is hereby confirmed, and that the said by-law shall repeal and replace the existing general By-Law of the Corporation. Any one director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise, and to deliver or to cause to be delivered, all such other documents and instruments, and to do or cause to be done all other such acts and things, as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the intent of the foregoing resolutions, such necessity to be conclusively evidenced by the execution and delivery of any such documents or instruments or the taking of any such actions.”

An ordinary resolution of the Shareholders is required. In order to pass, an ordinary resolution requires the affirmative vote of the majority of all votes cast. **Unless otherwise specified, the persons named in the enclosed form of proxy will vote FOR the resolution.**

F. OTHER BUSINESS

Management of the Corporation has no knowledge, as at the date hereof, of any business other than that mentioned in the Notice of Meeting, to be presented for action by the Corporation at the Meeting. However, the Form of Proxy solicited hereunder confers upon the proxy holder the discretionary right to exercise the powers conferred thereunder upon any other matters and proposals that may properly come before the Meeting, or any adjournment or adjournments thereof.

DATED at Toronto, Ontario, the 7th day of August, 2015

ON BEHALF OF THE BOARD OF DIRECTORS
OF STANS ENERGY CORP.

“Rodney Irwin”

Rodney Irwin,
Interim Chief Executive Officer and acting President

SCHEDULE "A"
STANS ENERGY CORP.
FORM 58-101F2 - CORPORATE GOVERNANCE DISCLOSURE
(VENTURE ISSUERS)

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. The Canadian Securities Administrators (the "CSA") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices*, which prescribes certain disclosure by the Corporation of its corporate governance practices. This disclosure is presented below.

Board of Directors

Management is nominating six individuals to the Corporation's board of directors (the "Board"), all of which are current directors of the Corporation.

The Guidelines suggest that the board of directors of every listed Corporation should be constituted with a majority of individuals who qualify as "independent" directors under MI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Corporation.

Of the proposed nominees, two are "inside" or management directors and accordingly such persons are not considered to be "independent" within the meaning of MI 52-110. The other four directors are considered by the Board to be "independent" within the meaning of MI 52-110.

Rodney Irwin is Chair of the Board.

Directorships

The following table sets out the proposed directors, officers and promoters of the Resulting Issuer that are, or have been within the last five years, directors, officers or promoters of other reporting issuers:

Name	Name and Jurisdiction of Reporting Issuer	Name of Trading Market	Position(s) Held	Term
Gordon Baker	Jemtec Inc.	TSX Venture	Director, Member of Audit Committee	January 1994 to present
Doug Underhill Director	Monster Uranium Corp.	TSX Venture	Director	May 14 2008 to June 01, 2012
	Appia Energy Corp.	TSX Venture	Director	April 2014 to present

Orientation and Continuing Education

While the Corporation does not have formal orientation and training programs, new directors are provided with access to publicly filed documents of the Corporation, technical reports, internal financial information, the Corporation's corporate governance policies, and management and technical experts and consultants.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director

has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Corporation. Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction.

Nomination and Assessment

The Board of Directors is responsible for identifying individuals qualified to become new directors and recommending to the Board of Directors new director nominees for the next annual meeting of shareholders. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, show support for the Corporation's mission and strategic objectives, and a willingness to serve.

Compensation

The Corporation has a Compensation committee.

The members of the Compensation Committee are:

- Gordon R. Baker, QC
- Rod Irwin
- Doug Underhill

Gordon Baker and Doug Underhill are independent directors.

The role of the Compensation Committee is to review and provide recommendations to the Board in respect of compensation matters. The Compensation Committee reviews and considers compensation paid for executive officers of companies of similar business, size and stage of development and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation.

The members of the Compensation Committee have been fulfilling the role of a compensation committee for the Corporation as members of the Audit Committee since November 2008 for Mr. Baker and Mr. Irwin, and since June 2009 for Mr. Underhill, and as such are versed in compensation matters relevant to the Corporation. Mr. Baker's background is as a lawyer and business executive. Mr. Irwin has been Canadian ambassador to numerous countries in Europe and Asia. Mr. Underhill is a PhD geologist with an MBA in strategic planning and finance.

The number of directors of the Corporation shall be the number of directors as specified in the articles or, where a minimum and maximum number of directors is provided for in the articles, the number of directors of the Corporation shall be the number of directors determined from time to time by special resolution or, if a special resolution empowers the directors to determine the number, the number of directors determined by resolution of the board.

A director need not be a shareholder. At least twenty five per cent of the directors shall be resident Canadians. If the Corporation is or becomes an offering corporation within the meaning of the Act, at least one-third of the directors of the Corporation shall not be officers or employees of the Corporation or any of its affiliates.

3.03 Election and Term

The election of directors shall take place at the first meeting of shareholders and at each succeeding annual meeting of shareholders and all the directors then in office shall retire but, if qualified, shall be eligible for re-election. The number of directors to be elected at any such meeting shall be the number of directors as specified in the articles or, if a minimum and maximum number of directors is provided for in the articles, the number of directors determined by special resolution or, if the special resolution empowers the directors to determine the number, the number of directors determined by resolution of the board. The voting on the election shall be by show of hands unless a ballot is demanded by any shareholder. If an election of directors is not held at the proper time, the incumbent directors shall continue in office until their successors are elected.

3.03A Nomination of Directors

Subject to the provisions of the Act and the articles of the Corporation, only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. Nominations of an individual for election to the board may be made at any annual general meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which such meeting was called is the election of directors of the Corporation:

- (a) by or at the discretion of the board or an authorized officer of the Corporation, including pursuant to a notice of meeting;
- (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the Act or a requisition to call a shareholders meeting made in accordance with the provisions of the Act; or
- (c) by any person (a "Nominating Shareholder") who, (i) at the close of business on the date of the giving of the notice provided for below in this Section and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting, and (ii) complies with the notice procedures set forth below in this Section.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Chief Financial Officer of the Corporation at the registered office of the Corporation in accordance with this Section.

To be timely, a Nominating Shareholder's notice to the Chief Financial Officer of the Corporation must be made:

- (a) in the case of an annual general meeting of shareholders, not less than 30 nor more than 65 days prior to the date of the annual general meeting of shareholders; provided, however, that in the event that the annual general meeting of shareholders is to be held on a date that is less than 50 days after the date on which the initial Public Announcement (as defined below) of the date of the annual general meeting of shareholders was made, notice by the Nominating Shareholder may be made not later than the close of business on the 10th day following such Public Announcement; and
- (b) in the case of a special meeting of shareholders that is not also an annual general meeting but is called for the purpose of electing directors of the Corporation (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the initial Public Announcement of the special meeting of shareholders was made.

Notwithstanding the foregoing, the board may, in its sole discretion, waive any requirement in this Section. In no event shall any adjournment or postponement of a meeting of shareholders of the Corporation or the announcement thereof commence a new time period for the giving of a Nominating Shareholder's notice.

To be in proper written form, a Nominating Shareholder's notice to the Chief Financial Officer of the Corporation must set forth:

- (a) as to each individual whom the Nominating Shareholder proposes to nominate for election as a director:
 - (i) his or her name, age, business address and residence address;
 - (ii) his or her principal occupation or employment;

 - (iv) a statement as to whether he or she would be "independent" of the Corporation within the meaning of Sections 1.4 and 1.5 of National Instrument 52-110 - Audit Committees of the Canadian Securities Administrators, as such provisions may amended from time to time) if elected as a director of the Corporation at such meeting and the reasons and basis for such determination; and
 - (v) any other information relating to him or her that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below); and
- (b) as to the Nominating Shareholder giving the notice:
 - (i) any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has the right to vote any shares in the capital of the Corporation;
 - (ii) any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws; and
 - (iii) the class or series and number of shares in the capital of the Corporation which are controlled or over which direction is exercised, directly or indirectly, or which are owned beneficially or of record by the Nominating Shareholder as of the record date for the meeting of shareholders (if such date shall then have been made publicly available by the Corporation and shall have occurred) and as of the date of such notice.

The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such proposed nominee.

No individual shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Section; provided, however, that nothing in this Section shall be deemed to preclude discussions by a shareholder of the Corporation (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the Act. The chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not determined to be in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

For purposes of this Section:

- (a) "Applicable Securities Laws" means the applicable securities legislation of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, statements, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada; and

- (b) "Public Announcement" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on the System of Electronic Document Analysis and Retrieval at www.sedar.com.

Notwithstanding any other provision of the by-laws, notice given to the Chief Financial Officer of the Corporation pursuant to this Section may only be given by personal delivery or by facsimile transmission, and shall be deemed to have been given and made only at the time it is served by personal delivery or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Chief Financial Officer of the Corporation at the address of the registered office of the Corporation; provided, that if such delivery or transmission is made on a day which is not a business day or later than 5:00 p.m. (Toronto time) on a day which is a business day, then such delivery or transmission shall be deemed to have been made on the subsequent day that is a business day.

A director ceases to hold office when: (i) he dies; (ii) he is removed from office by the shareholders; (iii) he ceases to be qualified for election as a director; or his written resignation is received by the Corporation provided if a time subsequent to its date of receipt by the Corporation is specified in such written resignation the resignation shall become effective at the time so specified.

In the absence of a quorum of the board, or if the vacancy has arisen from a failure of the shareholders to elect the number of directors required to be elected at any meeting of shareholders, the directors then in office shall forthwith call a special meeting of shareholders to fill the vacancy. If the directors then in office fail to call such meeting or if there are no directors then in office, any shareholder may call the meeting.

If all the directors of the Corporation present or participating in the meeting consent, a director may participate in a meeting of the board or of a committee of the board by means of such telephone, electronic or other communications facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and a director participating in such a meeting by such means is deemed to be present at the meeting. The board in its discretion may submit any contract, act or transaction for approval, ratification or confirmation at any meeting of the shareholders called for the purpose of considering the same and any contract, act or transaction that shall be approved, ratified or confirmed by a resolution passed by a majority of the votes cast at any such meeting (unless any different or additional requirement is imposed by the Act or by the Corporation's articles or any other by-law) shall be as valid and as binding upon the Corporation and upon all the shareholders as though it had been approved, ratified or confirmed by every shareholder of the Corporation.

6.02 For the Protection of Directors and Officers

In supplement of and not by way of limitation upon any rights conferred upon directors by the provisions of the Act, it is declared that no director shall be disqualified by his office from, or vacate his office by reason of, holding any office or place of profit under the Corporation or under any body corporate in which the Corporation shall be a shareholder or by reason of being otherwise in any way directly or indirectly interested or contracting with the Corporation either as vendor, purchaser or otherwise or being concerned in any contract or arrangement made or proposed to be entered into with the Corporation in which he is in any way directly or indirectly interested either as vendor, purchaser or otherwise nor shall any director be liable to account to the Corporation or any of its shareholders or creditors for any profit arising from any such office or place of profit; and, subject to the provisions of the Act, no contract or arrangement entered into by or on behalf of the Corporation in which any director shall be in any way directly or indirectly interested shall be avoided or voidable and no director shall be liable to account to the Corporation or any of its shareholders or creditors for any profit realized by or from any such contract or arrangement by reason of the fiduciary relationship existing or established thereby.

Subject to the provisions of the Act and to paragraph 3.18, no director shall be obliged to make any declaration of interest or refrain from voting in respect of a contract or proposed contract with the Corporation in which such director is in any way directly or indirectly interested.

6.03 Limitation of Liability

Except as otherwise provided in the Act, no director or officer for the time being of the Corporation shall be liable for the acts, receipts, neglects or defaults of any other director or officer or employee or for joining in any receipt or act for conformity or for any loss, damage or expense happening to the Corporation through the insufficiency or deficiency of title to any property acquired by the Corporation or for or on behalf of the Corporation or for the insufficiency or deficiency of any security in or upon which any of the moneys of or belonging to the Corporation shall be placed out or invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any persons, firm or corporation including any person, firm or corporation with whom or which any moneys, securities or effects shall be lodged or deposited for any loss, conversion, misapplication or misappropriation of or any damage resulting from any dealings with any moneys, securities or other assets belonging to the Corporation or for any other loss, damage or misfortune whatever which may happen in the execution of the duties of his respective office or trust or in relation thereto unless the same shall happen by or through his failure to exercise the powers and to discharge the duties of his office honestly, in good faith and in the best interests of the Corporation and in connection therewith to exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The directors for the time being of the Corporation shall not be under any duty or responsibility in respect of any contract, act or transaction whether or not made, done or entered into in the name or on behalf of the Corporation, except such as shall have been submitted to and authorized or approved by the board. If any director or officer of the Corporation shall be employed by or shall perform services for the Corporation otherwise than as a director or officer or shall be a member of a firm or a shareholder, director or officer of a company which is employed by or performs services for the Corporation,

the fact of his being a director or officer of the Corporation shall not disentitle such director or officer or such firm or company, as the case may be, from receiving proper remuneration for such services.

6.04 Indemnity

Subject to the limitations contained in the Act, the Corporation shall indemnify a director or officer, a former director or officer, or a person who acts or acted at the Corporation's request as a director or officer of a body corporate of which the Corporation is or was a shareholder or creditor, and his heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him in respect of any civil, criminal or administrative action or proceeding to which he is made a party by reason of being or having been a director or officer of the Corporation or such body corporate, if (a) he acted honestly and in good faith with a view to the best interest of the Corporation; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he had reasonable grounds for believing that his conduct was lawful. The Corporation shall also indemnify such person in such other circumstances as the Act permits or requires.

The board may at any time terminate such appointment.

The Corporation may enforce any lien that it has on shares registered in the name of a shareholder indebted to the Corporation by the sale of the shares thereby affected or by any other action, suit, remedy or proceeding authorized or permitted by law and, pending such enforcement, the Corporation may refuse to register a transfer of the whole or any part of such shares.

7.06 Non-recognition of Trusts

Subject to the provisions of the Act, the Corporation may treat as absolute owner of any share the person in whose name the share is registered in the securities register as if that person had full legal capacity and authority to exercise all rights of ownership, irrespective of any indication to the contrary through knowledge or notice or description in the Corporation's records or on the share certificate.

7.07 Share Certificates

Every holder of one or more shares of the Corporation shall be entitled, at his option, to a share certificate, or to a non-transferable written acknowledgement of his right to obtain a share certificate, stating the number and class or series of shares held by him as shown on the securities register. Share certificates and acknowledgements of a shareholder's right to a share certificate, respectively, shall be in such form as the board shall from time to time approve. Any share certificate shall be signed in accordance with paragraph 2.03 and need not be under the corporate seal; provided that, unless the board otherwise determines, certificates representing shares in respect of which a transfer agent and/or registrar has been appointed shall not be valid unless countersigned by or on behalf of such transfer agent and/or registrar. The signature of one of the signing officers or, in the case of share certificates which are not valid unless countersigned by or on behalf of a transfer agent and/or registrar, the signatures of both signing officers, may be printed or mechanically reproduced in facsimile upon share certificates and every such facsimile signature shall for all purposes be deemed to be the signature of the officer whose signature it reproduces and shall be binding upon the Corporation. A share certificate executed as aforesaid shall be valid notwithstanding that one or both of the officers whose facsimile signature appears thereon no longer holds office at the date of issue of the certificate.

7.08 Replacement of Share Certificates

The board or any officer or agent designated by the board may in its or his discretion direct the issue of a new share certificate in lieu of and upon cancellation of a share certificate that has been mutilated or in substitution for a share certificate claimed to have been lost, destroyed or wrongfully taken on payment of such fee, not exceeding \$3.00, and on such terms as to indemnity, reimbursement of expenses and evidence of loss and of title as the board may from time to time prescribe, whether generally or in any particular case.

7.09 Joint Shareholders

If two or more persons are registered as joint holders of any share, the Corporation shall not be bound to issue more than one certificate in respect thereof, and delivery of such certificate to one of such persons shall be sufficient delivery to all of them. Any one of such persons may give effectual receipts for the certificate issued in respect thereof or for any dividend, bonus, return of capital or other money payable or warrant issuable in respect of such shares.
